3.	Alumni	30
4.	Employers	02

Report of the action taken:

Stakeholder	Feedback	Action taken (Referred to Staff Council)
Students	• Need industry based courses. • Coaching on cracking competitive exams. • All the courses especially computer program courses should be taught practically.	• Decided to offer certificate courses on the topics related to office management and secretarial practice, stock market operations, Soft skills and personality development, Excellence in competitive exams. • Decided to send students for internship for filling of income tax. Commerce and management department delegated with authority and responsibility of the same. • Instructed placement and career development cell to conduct training on aptitude, soft skill,
Teachers	• More practical classes required in computer and machine learning. • Job oriented topics should be included. • Introduction of blended learning is required • Practical knowledge with regard to GST compliance	

	• Certificate course on Soft skills training is needed. • More case studies should be included in principles of management.	computer programs, and interview skills. • ICT academy and the college has signed the Memorandum of Understanding to conduct various students' enrichment programs. Faculty and students encouraged to get benefit out of the program. • Bajaj Finserv is offering a course named Certificate Program in Banking, Finance and Insurance(CPBFI). Large number of students are encouraged to attend the same. • Present curriculum of the college includes the certificate courses which tends to meet the expectations of the students. Awareness regarding importance of existing courses to be created.
Alumni	More focus is needed on Computer course and also the basics on how to crack interview and practical knowledge of the work.	
Employers	Syllabus should include some hand in experimental activities like internship, survey.
